CATARRH CAUSES CONSUMPTION

Pe-ru-na Never Falls to Cure Catarrh Wherever Located.

"I had coughed for three months and The medical profession has so thoroughty prejudiced the minds of the people against patent medicines that it is with great renotance that any one can be persuaded

to try such a remedy at first. In nearly every one of the thousands of remarkable cures that Peruna has made the patients had to be persuaded by friends very strongly before they could lay axide their prejudice against it.

A large multitude, of course, hold out egainst the personsions of friends and die simply because they have allowed their minds to be poleoned against this very excellent remedy.

But fertunately there is another large multitude of people who are able to shake off their prejudice and try Peruna before t is too lite. These people are rarely disappoinfed.

They generally for other remedies at the beginning of their troubles. They allow a cold to develop into enturn of the head, They allow entarch of the head to gradually secome estarrh of the throat.

They still keep using the doctor's medi-ine, or some other ineffectual remedy. The catarrh steatfally spreads down the aroughtal tubes and reaches the lungs. Everybody then becomes slarmed. Faith n the dactor begins to disappear. The patient reaches a state of mind in which he is willing to tre almost anything. A betle of Peruna is sent for.

The first week it produces a decided change for the better. A few weeks' comthund treatment oures the patient. Then snother happy man or woman is added to the long list of people who are praising Peruna.

two years here without improvement. Real-

ing of the value of Peruna I began taking

it and in two months was completely cured

ADVANCE IN RATES.

Ocean Rates Go Up Two Cents Per One Hundred Pounds. Calveston, Texas, November 29 .- There

has been an advance of 2 cents per 100 in ocean freight rates from Guiveston to the ortholpsi European ports. While this is not enough to cause any great flurry, it amounts to considerable in the carge of a ship. Rates have been exceptionally low this season, much lower than the local agents capected, and it is claimed that the prices quoted new do not justify the ships in taking the cargoes.

Anderson County Court Matters... Palestine, Texas, November 20. The grand jury to the district court adjourned their report to Judge Gooch shows that very little lawlessness exists in this counif, except some few misdemeaners. The jury found only thirteen bills of felony in the crime of which he was tried and convicted. Patrick is now in the death ruom at Sing Sing, and his experiences aince last March, when he was finally convicted, have been of the most gloomy character. For men would have braved the trials he has without utterly breaking down.

Since his inestretation he has had only one bright day, and that was whet he was morried to the woman he loved the best of autrhing on earth and despite the authority of the pentientiary officials and even of the court as well.

'Ha had desired to marry the lady, or rather she had declared her intentions of marrying him shortly after he was convicted. He had intended to defer the wedding day until after he should have
